

Lakes & Ponds

Statewide regulations for seasons, legal methods, and limits (page 12) apply unless a site-specific regulation is listed for a water body.

The following lakes and ponds are available for public fishing through the courtesy of the owners or state ownership.

Determining fishing regulations is a simple two-step process:

1. Check the regulation table (page 12) for general statewide Species, Legal Methods, and Limits regulations.
2. Look up the **waterbody** in the alphabetical list of lake and ponds to find any **special regulations** that apply. If no site-specific regulations are listed for a waterbody, statewide regulations apply.

Lake and Pond Legend

-  Public boat launching area
-  Cartop boat launching area
-  Facilities for disabled
-  State campground
-  Shore fishing access
-  Family friendly fishing location
-  State picnic area

CANDLEWOOD LAKE DEPTH MAP

First produced in 2006, Connecticut DEEP's Candlewood Lake depth map has become an angler favorite.

- Produced using state-of-the-art GPS technology.
- Field work and compilation ran from 1999 to 2005, and the final product is a color chart which measures 23 by 36 inches.
- The best and most current information on Candlewood Lake depths available.
- Maps are fully laminated, so the weather won't damage it.

Available from the DEEP Store \$10.95

- Order by phone: 860-424-3555
- Shop online: www.ct.gov/deep/store
- Visit our Hartford store or order by mail

Remember, it's illegal to fish in or into a DEEP permitted swim area.

(RSCA §15-121-B12(c))

Group Fishing Licenses

GROUP FISHING LICENSES

Now available to qualified 501(c)(3) organizations wishing to conduct group fishing programs and events for:

- Veterans with a service-related or other disability who receive services at a U.S. Department of Veterans Affairs Connecticut Healthcare System facility;
- Persons who receive mental health or addiction services from the Department of Mental Health and Addiction Services (DMHAS), DMHAS programs or facilities, or psychiatric hospitals operated at least in part by DMHAS;
- Individuals with autism or intellectual disabilities who receive services from the Department of Developmental Services (DDS) or a facility licensed by DDS; or
- Persons receiving care from the Department of Children and Families (DCF), DCF receiving homes, or certain DCF-licensed child care facilities or programs.

Qualified tax-exempt organizations can apply for a Group Fishing License (\$250.00 annual fee). Holders of this license may hold up to 50 events per year, including both inland and marine water events. Each event is limited to 50 people. The events must be supervised by organization staff or volunteers. Supervising staff and volunteers must have fishing licenses. The organization may not charge a fee to participate and the events may not be used as a fundraiser.

Contact DEEP Inland Fisheries (phone: 860-424-3474, email: dep.inland.fisheries@ct.gov) for more information and application forms.

LOOKING TO GET THE LEAD OUT?

Lead is a metal which, in sufficient quantities, can negatively affect the nervous and reproductive systems of animals and humans. Most fishing jigs and sinkers have historically been made with lead.

Wildlife such as eagles, loons, and other waterfowl can be poisoned by lead they've consumed. Hooked fish can ingest or retain attached lead fishing tackle such as hooks and jigs, and become a potential pathway of lead exposure for predatory birds consuming fish containing such lead fishing gear. In addition, lost or discarded lead fishing weights and other lead fishing tackle of smaller sizes can be ingested by wildlife, particularly dabbling and diving water birds such as swans, ducks, geese and loons.

There are alternatives to lead, made from non-poisonous materials such as tin, bismuth, steel, tungsten and glass that are available at established sporting goods retailers and on the internet. These will be more expensive than lead, but will be more environmentally benign, and as demand continues to grow, prices are expected to drop.

Consider asking for non-lead alternatives when purchasing new tackle or replacing old.

Websites for more information on lead sinkers include:

- Minnesota Pollution Control Agency: www.pca.state.mn.us/sinkers
- US EPA: <http://water.epa.gov/scitech/swguidance/fishshellfish/animals.cfm>

REMINDER TO ANGLERS!

FISHING IN OR CASTING INTO PERMITTED SWIM AREAS IS PROHIBITED

State regulations prohibit fishing in or into a swim area that's been permitted by DEEP. Additionally, vessels cannot be operated within a permitted swim area, and there's a 100 foot "no-wake" zone around the perimeter.

Swim areas that have been permitted by DEEP will be marked by white buoys with orange markings, and there should be a permit number posted on the buoys. They may or may not have small orange barrier floats to further demarcate the area.

Should questions arise concerning the validity of the swim area (*no permit numbers or the area appears to have been changed / enlarged or keeps moving*), please contact DEEP's Boating Division at 860-434-8638.
